Case No; 12-cv-185-JL

Dear Mr; Clerk;

I would like to ask
you to attach motion for Reversal for the
following reason states. On or about 4/8/2004,
the Honorable court played a big role in Mr.
Ali's case that until his appeal with the N.H.
Supreme Court, that the Honorable Court Carol
Ann Conway decision effected Mr. Ali's case in
his failure to consider Mr. Ali's claim that
prejudice Mr. Ali's resulting in an unreliable or
fundamental unfair outcome of the proceeding
and substantial miscarriage of Justice, when he
rendered decision that was prejudice to Mr. Ali
case in the light of prevailing law, by
the reviewing authority. See; Ali's motion for
of appeal as exhibit filed with this Court
also, motion to appoint new counsel other than
appellate, motion Requesting permission for

Consideration of the Petitioner Facts, Argument and applicable law in support of the brief, Also Aliis Appeal decision on Dec 13, 10 2009-0140,

it always came to my mind that way the Honorable Court Conboy always defendant or it seems like he is protecting his decision that prejudice my case from the start that the Hillsborough County Superior Court also denied to address this issues when in that time Justice Conboy was Associate Justice with the Superior Court 92-09, My conviction was on Sept 25, 26, 08 that Justice Conboy decision played a big role in Mr. Aliis sentence enhancement and was not given due process of law to attack this (DVP) petition that it shouldn't be in the table. Just lately I was received copies of these decision from the Coos County Superior Court and the Hillsborough County Superior Court upon my request for these document that shed the light to this issues. See; order Octo 10, 2012, A, B, claims with this Court. petition (doc no 1) please add this motion as an Exhibit to the petition (doc 1) if you have any Question, please write back. Thank You.
